Re: South Cavalcade Street
Site, Houston, Texas
(southeast of Cavalcade-
Maury Street intersection)

Dear Mr. Cochran:

Based on information we obtained from you and subsequently with the other Potentially Responsible Parties in our meeting in Houston on November 28, 1984, and based on the understanding that Koppers Company, Inc., in cooperation with the remaining Potentially Responsible Parties, is conducting the RI/FS for the subject site, Baptist Foundation of Texas will cooperate with Koppers Company, Inc. and with Environmental Protection Agency on this site, notwithstanding the fact that Baptist Foundation of Texas did not contribute to the matter complained of by Environmental Protection Agency.

Yours very truly,

Calvin B. Reeves
